**2017 WORLD KOSHIKI SUPERKARATEDO CHAMPIONSHIPS
FANSHAWE COLLEGE, LONDON, ONTARIO JULY 28TH-30TH 2017
TOURNAMENT RESULTS**

On behalf of the World Koshiki Karatedo Federation and the Canadian Koshiki Karatedo Association I would like to thank all the competitors, Coaches, Shihan and Sensei for all your hard work and dedication in making these championships possible. I would like to especially thank Hanshi Masayuki Kukan Hisataka, Kensei 10th dan and Hanshi Masamitsu Kudaka 8th dan for the decades of tireless development and promotion of koshiki karatedo, making the true principals of Budo accessible to tens of thousands of people around the world. Also My most heartfelt gratitude and thanks to the members of the organising committee who's tireless work made these championships an awesome experience. Shihan Steve Jackman, Sensei Jeana Jackman, Sensei Victor Lukankin, Sensei Rob Yeoman, Sensei Laura Marquez, sensei Jim Lebrun, Eric Dviking,

Thankyou to all the Parents and families who made the homestay program possible, which brought together junior members of the Japanese team with Families of the junior members of the Canadian team. What an awesome experience with friendships made for life and culture shared and enjoyed.

Lastly thank you to all our sponsors, without your support this championships would not have been possible. City of London Tourism, Nancy Jackman, Monarch University, Liuna 1059, London Kenshin, Ken Nin Kai Dojo's, Pickard Construction and all other sponsors who have supported over the years.

These championships mark a new era for the sport of Koshiki Karatedo, with the leadership of the WKKF being assumed by the next generation of the Kudaka Family, Hanshi Masamitsu Kudaka 8th dan and 10 time World Koshiki Karatedo Champion. The future is very bright for the WKKF and with this new Blood and new energy we embrace the concept Maeda! Along with the spirit of Washoy! Maeda means to "go forward", Washoy means "Harmony together". At this years Championships the senior members of the WKKF entered the tournament for the opening ceremony carrying on their shoulders a Mikoshi "portable Shrine" dedicated to the art of Koshiki Karatedo and chanting together "Washoy Maeda". We hope that this symbolic gesture will inspire everyone to put aside differences, let go of the past differences and conflicts and work together in harmony to GO FORWARD! And take Koshiki Superkaratedo to its maximum potential and in that find our own true potential!

WASHOY MAEDA!

Respectfully,

Shihan Paul Jackman, Chairman of the Organizing Committee of Koshiki 2017
