Dear Koshiki Karatedo members and friends,

It is with great pleasure that the organizing committee of Super Karate-do World Grand Prix, WKKF Seminar extend to you our Official Invitation to these prestigious events. These events will be held on 18-19th August, 2018 at the Urayasu City Gymnasium, Chiba JAPAN.

## Philosophy of the Event

- (1) To make Super Koshiki Karatedo part of the School Education Program for training the world's youth.
- (2) Aiming to join "Sports Accord" with recognition of Koshiki Karatedo as a safe and clearly judged modern sport.
- (3) To contribute Super Karate-do as a BUDO working towards world peace and friendship.
- (4) Through Koshiki Karatedo training and tournaments, we aim to develop and sustain people who work together for the benefit of their community, their nation, and the world.

The potential of these events to contribute to especially young generation is tremendous. Through such a great opportunity to meet, compete with and exchange friendship internationally, we believe they broaden their international range of vision as well as elevate the level of ability to see, think and act.
