関係各位の大変なご尽力で、ここに「SUPER 空手道ジュニア WGP・世界文化交流フェスティバル」が盛大に開催されましたことを、心からお慶び申し上げます。

ご存知のように、この8月5日からリオデジャネイロ オリンピック・パラリンピックが開催されます。開催前の総会で2020年東京オリンピック・パラリンピックの追加競技・種目が決定します。これまで3度オリンピックの正式種目の候補になりながらも、最終選考で夢を果たせなかった空手。その実現を前に、空手・空手道に対する熱気はいよいよ高まります。

そうした中での、今回のSUPER 空手道ジュニア WGP大会です。

同時開催の世界文化交流フェスティバルのキャッチフレーズは、「楽しみにおいでよ！世界の友達とフェスティバル」。世界の仲間と交流を深めながら日頃の成果が最大限に発揮された2日間であることを心から願っております。

空手道を始め、武道は「礼で始まり、礼で終わる」と言われております。勝ち負けは当然最大の関心事ですが、こうした大会を通じて、ややもすれば失われがちな礼儀や相手に対する思いやりを学んでいただきたいと考えています。

大会名誉会長という、大変な栄誉をいただきました。私ができる事やれる事は極めて限られたことですが、子どもたち、若者たちの活躍、世界からのお友達に盛大な拍手を送りたいと思います。

最後になりますが、開催にあたり最大限のご尽力をいただいた関係各位に心から御礼と敬意を表し、私のご挨拶といたします。

この度は、「SUPER空手道ジュニアWGP世界文化交流フェスティバル」の開催を、心よりお祝い申し上げます。

本日、ご参集の皆様におかれましては、常日頃から厳しい稽古に励んでおられます事、心より敬意を表します。

私は、昨年まで外務大臣政務官をさせて頂き、多くの国を訪問いたしました。皆さんも感じていることと思いますが、今、多くの国で日本の武道を学ぶ方々が増えています。単に技を競い合い、体を鍛えるだけでなく、心も鍛える面が高く評価されています。特に、青少年の教育における素晴らしさを多くの外国の方々が指摘しておられます。

従って今後、空手も、もっと多くの方々に学ばれるようになるでしょうし、大会を通じて、多くの交流も深めて頂きたいと思えます。

最後になりますが、選手の皆様におかれましては、日頃の成果を十分に発揮して頂くと共に、ご健闘をご祈念いたします。

大会開催にあたり、ご尽力頂きました関係各位のご努力に深甚なる敬意を表しまして、お祝いの挨拶とさせていただきます。

Congratulatory Address

I would like to express my best wishes to the Super Karatedo Junior Gran Prix and the World Cultural Festival. It is wonderful to practice Karate for mind and body.

I was a Parliamentary Secretary for Foreign Affairs until last year and visited many countries.

As you know, many people study and practice Karate around the world.

I believe that they obtain not only a strong body and technique, but also a wonderful mind through the practice, especially for young generations.

Karate will continue to be very popular in future. As such, we have many opportunities to exchange culture through Karate.

Finally, I wish for all participants to show a high quality of technique and mind developed through long dedication and practice, and for all spectators to give their full support.

Chairman, Ex- Parliamentary Secretary for Foreign Affairs
Member of the House of Representatives, Kentaro Sonoura

Masayuki Kukan Hisataka, Kensei 10th Dan

 Head Professor / Okinawan Shorinjiryu Kenkokan Karate-do
 Chairman / World Super Karate-do Union

It is a great pleasure for us to welcome all the Guests, Shihans, Senseis, Young Athletes and Karate fans to the Super Karate-do World Junior Grand Prix, WKKF Seminar & World Cultural Exchange Festival here in the resort city Urayasu.

Karate originated as a BUDO Art to fight without any weapons in Okinawa. Honoring this origin, “Super Karate-do” Koshiki Contact KUMITE is a systematic fighting method using bare hands and feet, consisting of basic ways to block, punch, and kick. By wearing the Super Safe Body and Face protectors, it is possible for Karate-ka to punch and kick directly to the opponent with dynamic power and variety of techniques without injury. In addition, are able to clearly and simply understand the principles and results of a match.

BUDO have their origins in the traditions of Bushido –the way of warrior. Koshiki Contact Karate-do as BUDO is a time-honored form of not only physical but spiritual culture. Practitioners study the skills while striving to unify their mind, technique and body, develop his or her character, enhance their sense of morality, and to cultivate a respectful and courteous demeanor. This elevation of the human spirit will contribute to social prosperity and harmony, and ultimately, benefit the people of the world.

I would like to express my most sincerely appreciate and great respect;
 Professor Masamitsu KUDAKA, Hanshi 8th Dan, (Deviser / World Super Karate-do Union, Chairman / World Koshiki Contact Karate-do Federation and 10 times World Champion), Professor Yukio SAKAMOTO, Kyoshi 7th Dan, Professor Mamadou DIALLO, Hanshi 8th Dan (Special Adviser / Pan Africa and Europe Koshiki Karate-do Union) Shihan Yoan KONGOLO, Kenshi 4th Dan (World Champion of Kick Boxing and Koshiki Contact Karate-do), Professor Luc Gilbert, Hanshi 8th Dan (Chairman Pan America Koshiki Karate-do Union) Professor Paul JACKMAN, Kyoshi 7th Dan (4 times World Champion), Shihan Alexander FILYUSHKIN, Renshi 6th Dan (Chairman, Eurasia Koshiki Contact Karate-do Union, World Champion holder), Shihan Vadim BARANOV, Renshi 6th Dan (World Leading Sensei producing World Champions), Professor Nick KIN, Kyoshi 7th Dan (Oceania Koshiki Karate-do Union), Shihan Andrew REILY, Renshi 6th Dan (World Champion, Chief Instructor, Okinawan Shorinjiryu Kenkokan Karate-do in Australia), for their effort and hard work of teachings, training and promoting “Super Karate-do” Koshiki Contact KUMITE

We have been promoting our “Super Karate-do” Koshiki Contact KUMITE for more than 35 years. Recently, we are working for “Super Karate-do” to be adopted as a Physical and Spiritual Educational School Program for youth of UNESCO to which 193 countries accede. In addition, we would like to part in the World Games 2017 in Poland, and Olympic Games 2020 in Tokyo, Japan.

In this Junior World Grand Prix, young KARTE-KA s of different styles have great opportunity to meet, compete and exchange friendship internationally through “Super Karate-do” Koshiki Contact KUMITE and KATA. We believe that it will make them to gain and learn international range of vision.

Late KAISO (Founder) Masayoshi Kori Hisataka (KUDAKA in Okinaw), KENSEI (Holy Fist) 10th Dan says that “Thousands times of training make technical development and Millions times of practice create spiritual achievement”. I sincerely hope that those who are participating in this Super Karate-do Junior World Grand Prix, will compete fully displaying your technique and mental strength you have forged through your training. We really hope all of you to train Super Karate-do hard and constantly. Then you are truly the Winner.

本日、「2016 SUPER 空手道 WGP 世界文化交流フェスティバル」が開催されますことを、心からお祝い申し上げます。

空手道は、琉球王国時代、沖縄固有の拳法として発展した「手（ティー）」にルーツを持つ武道です。「手（ティー）」は中国武術や日本武術の影響も受けながら「空手道」へと発展し、大正時代には沖縄県から他府県に伝えられ、さらに第二次大戦後は世界各地に広まりました。空手道を通じた心身の鍛錬、特に、空手道によってはぐくまれる精神性は、世界中で高く評価されており、現在では、世界中に数千万人の競技人口をもつグローバル武道として親しまれ愛されています。本日のこのフェスティバルは、グローバル化した空手道の現状を如実に示す大会であり、同時に、ジュニア世代を育成して裾野を広げ、空手道のグローバル化をますます推進する大会でもあります。2020年の東京オリンピックの追加競技種目の候補としての空手道を強気に推進するすばらしい大会であると、心からの敬意と祝意を表します。

本校でも、平成19年から沖縄空手を必修授業として導入してきました。平成27学年度末の段階で、本校には491人の有段者が在籍しており、卒業後、彼らがグローバル人材として大きく羽ばたいていくものと期待しています。本校は、これからも、ますますグローバル化する空手道の発展に微力を尽くしたいと願っています。

結びに、大会委員長の久高正光先生をはじめ、このフェスティバルの開催に尽力して下さった多くの先生方や関係者の皆様、また日本各地、そして世界各地からこのフェスティバルに出場して下さる選手、指導者、関係者の皆様に重ねて敬意を表します。

本日は誠にありがとうございます。

この度はスーパー空手道ジュニアワールドグランプリ並びに UNESCO 世界文化交流フェスティバルの開催誠に
おめでとうございます。

スーパー空手すなわち硬式空手道は久高正之先生が長年に渡る実戦と経験、研鑽により編み出された武道性と実践性を兼ね備えた革新的な空手競技方法である。従来行われているノンコンタクト空手ルール、フルコンタクト空手ルールの別なく、双方の空手道家が思い切り打ち、蹴り、極めて安全に競技できるようにルールを統一して競い合えるように久高先生がスーパーセーフを考案し怪我無く安全に、且つ実践的に競技できる空手道スタイルを指している。

現在までにスーパー空手ルールに則り競技に参加してきた武道・格闘技は伝統派空手道をはじめ、極真空手を代表するフルコンタクト空手諸団体、ムエタイ、キックボクシング、日本拳法、少林寺拳法など、武道や、格闘技、流会派の垣根を越え多くのアスリートが参加してこられたとお伺いしております。

これだけ多くの武道家、格闘家を惹きつける魅力がこのスーパー空手・硬式空手には有ります。

この硬式空手は 1980 年第 1 回国際大会を開催してから現在に至るまで 20 回を超える世界大会、30 回を超える全日本大会を開催し、世界中に広がりを見せています。

地球のあらゆる大陸に普及され誰もが認める世界スポーツに硬式空手はなりました。これだけ世界に空手を広めた久高正行先生のご尽力、行動力には頭が下がる思いです。

さてこの硬式空手ですが、元をたせば沖縄に伝わる日本の伝統文化である少林寺流空手道拳行館に行き着きます。宗家であり、久高正之先生のお父様である久高政祺幸利先生が沖縄から日本本土に空手道を普及された事に端を発します。

それから久高家並びに空手道先人達の並々ならぬ努力の結果今や空手道は世界中に広まり 6000 万人もの競技人口を数える程になりました。

そして 2020 年東京オリンピックの追加競技として現在注目を集めております。

今大会に勇気をもって出場された選手の皆様、海を越えここ空手発祥の地日本に来られた海外選手団の皆様を心より歓迎申しますとともに、今大会が無事故大成功で締め括られる事を祈念して私の挨拶させていただきます。押忍。

I would like to extend greetings to all the participants, spectators, and honorable guests. On behalf of the United States of America, I would like to congratulate So Shihan Masayuki Kukan Hisataka, Founder and President of The World Koshiki Karatedo Federation, and Hanshi Masamitsu Kudaka, Chairman of the Organizing Committee for The World Cup Super Karatedo World Junior Grand Prix at Urayasu Chiba, Japan. These events are to be held on Saturday the 25th and Sunday the 26th of June 2016, at the Urayasu General Gymnasium, Urayasu City, Chiba Ken, Japan Sincerely,
I would like to remind everyone to compete in the spirit of Budo and friendship. This is very important, for if we are to become an Olympic sport, we must show Karatedo in its very best light. I would like to thank So Shihan Hisataka for having the vision to create Koshiki Karatedo. Without him, there would be no Super Safe Gear, no fair set of competition rules open to all, and there would be no Koshiki Karate, as we know it.
In view of current events, it is important to have friendly competition between different countries, and people in the name of peace, and not war. With this in mind, I would like to wish all the competitors good luck.

It is with great pride and pleasure that I send my heart felt congratulations to the organizing committee for putting together the 'Super Karate-do Junior World Grand Prix' the 'WKKF Seminars' and the 'World Cultural Exchange Festival' which will be held on the 25th and 26th of June 2016. Taking place at the Urayasu General Gymnasium, Urayasu City, Chiba Prefecture, Japan.

Canada was one of the founding members of the World Koshiki Karatedo Federation back in 1980. As a competitor in 1980, 1983, 1985, I had the privilege of successfully representing Canada back then and I am truly amazed and impressed of the terrific and successful expansion Koshiki has been having around the World over the last 36 years.

The vision of making Koshiki Contact Karate-do part of the UNESCO educational program is a glorious endeavour. Training and educating the world's youth in a safe and clearly judged modern contact sport is refreshing to say the least.

I wish all members of the organizing comity and competitor's great success with this event and sincerely hope that the efforts of So-Shihan Masayuki Kukan Hisataka and those of all the members of the World Koshiki Karatedo Federation will be successful in achieving one day official Olympic recognition.

Respectfully Yours,

Shihan Paul Jackman 6th dan WKKF

On behalf of Jinryukan Martial Arts Academy, the World Koshiki Karatedo Federation and Australia - Oceania Region, I offer our congratulation to Masayuki Hisataka 10th Dan Kensei, Masamitsu Kudaka 8th Dan Hanshi, the organising committee, officials, sponsors, supporters and spectators, for the Super Karatedo Junior World Grand Prix and Cultural Festival.

This very prestigious event is being held on 25th and 26th June 2016 at the Urayasu General Gymnasium, Urayasu City, Chiba Prefecture, Tokyo Japan and will include seminars, kata and kumite competition for the advancement of all junior athletes.

I would like to share with all junior competitors, from all styles at this wonderful event, that I started as a 10 year old junior white belt and for the last 27 years I worked very hard as a student in training and study, opened my own dojos and achieved selection as a national and international competitor. Became a world champion and represented Australia as team captain and senior referee at international events on many occasions.

Representing your club, dojo, region and country is a real privilege! Sometimes you win, sometimes you lose, but NEVER giving up and always enjoy your training, competing, meeting new friends and especially learning and sharing with other countries and cultures. This is the greatest thing about karatedo. if I can achieve this you can too!

There are people attending from all over Japan and the world, demonstrating that the World Grand Prix will be a wonderful stage to enable us to showcase our karate and highlight the quality of our young people that are being developed for the future of our sports.

Further opportunities are being provided to develop international relationships and goodwill for our athletes, which will enable them to gain invaluable experience at this event, in their individual, team and national pursuit for developing their sport karate.

On behalf of myself and all our colleagues from Australia, I wish everyone a great success in this competition. I am sure there will be good spirit, hard fighting and competitiveness, but also mutual courtesy and respect and also lots of lessons learned.

I am delighted to visit Japan again and feel really privileged to be with you! Wishing you and your families and friends, all the best and every success at these championships.

Shihan Andrew Riley
Shorinjiryu Kenkokan Karatedo and WKKF Representative
Australia and Oceania Region:

On behalf of the Shorinjiryu Kenkokan Karatedo, the World Koshiki Karatedo Federation and Australia - Oceania Region, I offer our hearty congratulation to Masayuki Hisataka 10th Dan Kensei, Masamitsu Kudaka 8th Dan Hanshi, the organising committee, officials, sponsors, supporters and spectators, for the Super Karatedo Junior World Grand Prix and Cultural Festival.

This very prestigious event is being held on 25th and 26th June 2016 at the Urayasu General Gymnasium, Urayasu City, Chiba Prefecture, Tokyo Japan and will include seminars, kata and kumite competition for the advancement of all junior athletes.

Participants will be attending from all over Japan and indeed the world, demonstrating that the World Grand Prix will be a wonderful platform/stage to enable us to showcase our karate and highlight the quality of our young people that are being developed for the future of our sport.

Unique opportunities are being provided for the further development of international relationships and goodwill for our athletes, whom will gain invaluable experience from this event, in their individual, team and national pursuit for developing their sport karate.

With these objectives in mind, the organisation aims to develop and sustain people who work together for the benefit of their community, their nation and the world. The philosophy of Super Karatedo is to work towards being included in the UNESCO Education Program aimed at providing more training for youth around the globe.

A key feature of the championship is the exciting, dynamic, safe and realistic action of koshiki contact karate shiai, where contestants compete vigorously and safely whilst wearing Supersafe Bogu. Referees are highly qualified and the rules are simple. Hence there is no ambiguity around awarding points and deciding winners. The matches are easy to follow! Contestant's referees, officials and spectators alike can enjoy the action.

Having started my Shorinjiryu Kenkokan Karatedo and Koshiki Safety Contact Karate career as a young person and over a period of time developing into firstly a junior, then the senior karateka I am today, I became a successful national and international athlete in our sport, travelling to many countries, competing with and meeting many people from different social and cultural back grounds. This was available to myself and others, through planned international events such as this Super Karatedo Junior World Grand Prix. With hard work and effort, you can achieve this too!

Best wishes from Australia to all 'karate kids' competing and the fifteen countries from the five continents of the world, attending this friendship tournament and international championship. May you have safe travels to the venue, enjoy healthy strong competition whilst doing your best and return to your respective homes safely, after enjoying such a positive experience.

Yours sincerely,

Это событие обретает большую значимость, чем просто турнир мирового уровня, ведь одной из основных целей события является включение Koshiki Contact Karate-do в Программу Образования UNESCO. Этот шаг станет новым этапом как в развитии Koshiki Contact Karate-do, так и в обучении и физическом воспитании молодежи во всем мире. Каждый новый турнир – это не только способ определить лучших из лучших, но и возможность обмена опытом между спортсменами, тренерами, культурного обмена и упрочения дружеских взаимоотношений. Приятно видеть, что с каждым годом нас становится все больше, наша большая интернациональная семья Koshiki Karate-do растет, развивается и крепнет. Международный турнир Super Karatedo Junior World Grand Prix собрал юных каратистов из 5 континентов с целью укрепить дружеские отношения и объединить спортсменов на нашем общем пути каратэдо.

Dear Kensei, dear Hanshi,

It is with great pleasure that I express my sincere congratulations to the World Koshiki Karatedo Federation for the organization of the 2016 World Cup URAYASU Super Karate-do Junior World Grand Prix

A sports event like this not only offers a splendid opportunity to make ties of friendship across borders and increase intercultural awareness and understanding. By competing, it also offers young people to test their respective progression and the opportunity to gain a better knowledge and (self)understanding.

Koshiki karate offers the advantage of full-contact fighting in a safe environment. This means that everything what is learned in "normal" karate, can be tested in a real combat situation without the chance to hurt the opponent. Through SuperSafe Koshiki Contact Karate-do Kumite training and tournaments, we are able to develop and sustain (young) people to work together for the benefit of their community, their nation and the world.

It is wonderful to know that karate kids from over 15 countries across all five continents, will gather in URAYASU City, Japan for a friendship tournament including an international championship.

On behalf of the Dutch Shorinjiryu Kenkokan and Koshiki Karatedo Association, I wish all the competitors a personal best performance and once again compliment all officials and the organizers on this major achievement.

Summary of the rules of World Koshiki Karatedo Rules

Kumite competition (shiai)

Hands and feet: bare hands and feet must be used, except protective equipment like skin cover may be used by competitors for medical reasons.

Protective equipment: Super Safe protective equipment must be worn on face and body. Groin protectors are encouraged but are optional.

●Ippon (one full point)

“Ippon”-full point means an attack with powerful, controlled, and well executed techniques, which automatically wins the match. Examples of “Ippon” techniques include:

As a result of a well executed technique on the protective equipment, the opponent is knocked down, stunned or mentally defeated through the loss of fighting spirit and will to continue;

An excellent and controlled punch, kick and strike techniques executed after controlling the opponent through ashi-barai (leg sweep) or throwing techniques; and

When a sequence of three or more effective techniques in an unbroken combination technique hits perfectly and the opponent cannot adequately counter.

Effective techniques slightly less powerful which do not score an Ippon are awarded points (Wazaari). All contestants should aim to achieve victory through “Ippon”. If no “Ippon” is scored within match time, the victory is awarded to the contestant who has accumulated the most points of the Wazaari.

●Scoring of points-Wazaari – following is the basic scoring system

When controlled techniques are executed slightly less powerful and perfect in execution to the Super Safe face or body protector, a punch is awarded 1 point-Wazaari, and a kick is awarded 2 points-Wazaari., For example, a kick to the body protector immediately followed by a punch to the face protector would be awarded a total of 3 points.

If a contestant turns around and exposes the back, the opponent can score 1 point for each controlled punch and kick executed on a non-contact (Sundome) basis to the back.

As sen-no-waza (first technique or premanitive attack), tai-no-waza (mutual attack or simultaneous attack), and go-no-waza (following technique or counter attack) are accepted, points are awarded for attacking at the same time, for counter techniques and for combination techniques on the basis described above

●Examples of points:

When the red contestant successfully attacks with a punch and kick combination and the white contestant immediately counterattacks with a kick, the red contestant gets 3 points (1 point for the punch and 2 points for the kick), and the white contestant gets 2 points for the kick.

A key feature of Koshiki Karatedo is therefore the addition-of-points system, which gives points to both contestants for combinations and counterattacks as well as for the initial attack.
